Hit Me

Emi

I'm just tryna be your everything
I could put you on to better things
Before I kill it, I'mma meditate
Cuz when it comes to shooting there's no second take
Yeah, I be talking money by the second date
If you won't ever love me, I won't fuckin' wait
I got snowbunny, making carrot cake
I ain't no zookeeper, don't work with snakesDon't run from me baby
The one for me baby
When 5-0 is coming, hold that gun for you baby
I'll stunt for you baby
It's fun for me baby
I'm running with packs in my trunk for you baby
I'mma stay up all night
Puttin' in work for the team
I'mma stay up all night
Waitin on you to hit me, hit me
I'mma stay up all night
Puttin' in work for the team
I'mma stay up all night
Waitin on you to hit me, hit me
