Test Drive (Static Revenger Dub)

Jin Akanishi

Baby I got it
Got what you need
Wanna take you places
You may never wanna leave
Let me be your driver
I'll take you wherever
Let me sit behind you
Lay it on my leatherShawty tell me that it's ok (Ok)
If I spend the night baby (Baby)
I could give you just what you need
As long as the light is green
Tell me that you're ready, I'll go (Go)
Caution I'mma take it slow (Slow)
Like oh baby, oh baby, oh babyGive me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give me a test drive (Aye!)
Give me a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test drive
Give me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give a test drive (Aye!)
Give a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test driveI know you're ready
Come roll with me (Come roll with me)
We can take it slow
If you want, I'll bring you up to speed (Yeah)
Tell me you're a rider
You could be my passenger
I'll keep both my hands on
And I won't be askin' youShawty tell me that it's ok (Ok)
If I spend the night baby (Baby)
I could give you just what you need
As long as the light is green

Tell me that you're ready, I'll go (Go)
Caution I'mma take it slow (Slow)
Like oh baby, oh baby, oh babyGive me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give me a test drive (Aye!)
Give me a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test drive
Give me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give a test drive (Aye!)
Give a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test driveBeen waintin' on your signal 'fore we get down
Never wanted something so bad
Need you right now
Baby say the word
I'll give you all of me
As long as the light is greenGive me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give me a test drive (Aye!)
Give me a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test drive
Give me a test drive (Aye!)
So I can take you for a ride
After midnight (Aye!)
We go downtown
Give a test drive (Aye!)
Give a test drive
When I throw some d's on your body
If you're ready you can start by givin' me a test drive
