

# DISABLED COMPLEXES

## DIR EN GREY

Ah, I can't sleep again tonight  
Because you exist, because I was raped by you  
Why do you believe their voices?  
Ah, I won't be able to sleep again tomorrow I threw away even my slightest hope  
Deep down  
And I go mad again tonight  
And again tonight, I go mad Ah, I can't sleep again tonight  
Because you exist, because I was raped by you  
Why do you believe their voices? I can't coexist  
In the fabricated society with a crowd  
There is no meaning in living  
The world is full of psychos in your mind Chikau kotoba mo nai nagasu  
Namida mo kare te  
Tonight, I go mad  
Psycho killer
