

# One More Hit

Patrick Baker

I'm crashing, baby  
crashing from a high off you  
and I just need a little bit more of your love  
to get me through yes, I'm coming down  
coming down so hard and fast  
just one more minute with you  
is the only thing I ask cause you are what I'm craving  
the drug to get me through  
you're the habit that I just can't quit  
can I get just one more hit of you? one more hit of you  
cause one just won't do  
one more hit of you  
well, it's no wonder, baby  
the way I'm addicted to your touch  
feels like the more that I get  
the more that I can't get enough and I can't stop dreaming of you  
dreaming 'bout your lips on mine  
and just getting lost in your kiss  
losing track of time cause you are what I'm craving  
the drug to get me through  
you're the habit that I just can't quit  
can I get just one more hit?  
one more of you baby, just one more hit of you  
cause could never ever do  
one more hit of you  
I'm crashing, baby  
crashing from a high off you  
I just need a little bit more of your love  
to get me through
