God Didn't Make Me That Strong

Mark Collie

I could put this hammer down I could leave this nowhere town
Say goodbye to all the friends I've known
But when it comes to your sweet love I just can't give it up
Maybe I'm wrong but God didn't make me that strongI could start my life again cast my fortune to the wind
Walk away from everything I own
But if you take your love away I wouldn't last one more day
Maybe I'm wrong but God didn't make me that strongI need your love inside me I need your arms to hide me
I need your light to guide me everywhere I go
If you're not standing with me this life ain't worth the living
Maybe I'm wrong but God didn't make me that strong
[piano - steel]
I need your love inside me...
Oh maybe I'm wrong but God didn't make me that strong no no no
