

Timebomb (jimmy Echo Vocal)

Chumbawamba

Stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?
Wow
I am a timebomb
A ticking ticking, ticking timebomb
I am a timebomb
A ticking, ticking, ticking timebomb
Unattended at the railway station
In the litter at the dance hall
Sitting pretty near the fast-food counter
In a backseat of a Vauxhall, woah
I am a timebomb
A ticking ticking, ticking timebomb
I am a timebomb
A ticking, ticking, ticking timebomb
Unattended at the railway station
In the litter at the dance hall
Sitting pretty near the fast-food counter
In a backseat of a Vauxhall, woah
Stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?
Wow
I am a timebomb
A ticking ticking, ticking timebomb
I am a timebomb
A ticking, ticking, ticking timebomb
Unattended at the railway station
In the litter at the dance hall
Sitting pretty near the fast-food counter
In a backseat of a Vauxhall, woah
Unattended at the railway station
They're all dancing to the same song
Hear the smashing of your expectations
Hear the shattering of half-rhymes
I am a timebomb
A ticking ticking, ticking timebomb
I am a timebomb

A ticking, ticking, ticking timebomb
Unattended at the railway station
In the litter at the dance hall
Sitting pretty near the fast-food counter
In a backseat of a Vauxhall, woah

Stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?

Wow

Gotta stop, yeah, stop now
What's that sound
Everybody look what's going down
Stop now, what's that sound
Everybody look what's going down
Gotta stop, yeah, stop now

What's that sound

Everybody look what's going down
Stop now, what's that sound
Everybody look what's going down
Stop, stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?

Wow

And all the timebombs
They're all dancing to the same song
In a world full of no-ones

I am someone

I am a timebomb

A ticking ticking, ticking timebomb

I am a timebomb

A ticking, ticking, ticking timebomb
Unattended at the railway station
In the litter at the dance hall
Sitting pretty near the fast-food counter
In a backseat of a Vauxhall, woah

Stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?

Wow

Stop now, what's that sound?
Everybody look what's going down
Stop now, what's that sound?

Wow

London bridge is falling down

Thank you
Mr. Jimmy Echo, ladies and gentlemen
Put your hands together, lovely
