Half Jack

The Dresden Dolls

Half underwater, I'm half my mother's daughter
A fraction's left up to dispute
The whole collection, half of the price they're asking
In the halfway house of ill reputeHalf accidental, half painful instrumental
I have a lot to think about

You think they're joking? You have to go provoke him
I guess it's high time you found outIt's half biology and half corrective surgery gone wrong
You'll notice something funny if you hang around here for too
Long ago in some black hole before they had these pills to take it back
I'm half Jill and half JackTwo halves are equal, a cross between two evils

It's not an enviable lot

But if you listen you'll learn to hear the difference

Between the halves and the half knotsWhen I let him, when I feel the stitches getting sicker

I try to wash him out but like they say, 'The blood is thicker'

I see my mother in my face but only when I travel

fast as I can run but lack comes tumbling after And when I'm brave enough and find a clever

I run as fast as I can run but Jack comes tumbling afterAnd when I'm brave enough and find a clever way to kick him out

And I'm so high, not even you and all your love could bring me down
On 83rd he never found the magic words to change this fact
I'm half Jill and half JackI'm halfway home now, half hoping for a showdown
'Cause I'm not big enough to house this crowd
It might destroy me but I'd sacrifice my body
If it meant I'd get the Jack part outSee Jack, run Jack, run Jack, see Jack
See Jack, run Jack, run Jack, see Jack
See Jack, run Jack, run Jack, see Jack
See Jack, run Jack, run Jack, run Jack, run
