# Detention

## The Riptides

Only been 14 days since I met him
I've been trying 13 days to forget him
But we're stuck together
Like they up in the seven
Feels like something bit me
And I think I like the venom
My friends all say he's trouble
Put him on my MySpace
Comments double-double-double-double
Why they trying to burst my bubble
Don't they know I just can't leave him alone
So tell me what I gotta do
To get this boys attention
Now I'm in trouble from
The text message I just sent him
Oh, there's one more thing
That I forgot to mention
Where'd you meet him?
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
6 courses a day
Not a single one with him
Tell me how am I
Supposed to have fun with him
Once I was a good girl
Now I've gone bad
Interrupting teachers
In the middle of the class
Fighting back a smile
When she gave me that slip
Money in the bank
That I'll be needing on my trip-trip-trip

When mom and dad
Find out their gonna flip
Don't they know
I just can't leave him alone
So tell me what I gotta do
To get this boys attention
Now I'm in trouble from
The text message I just sent him
Oh, there's one more thing
That I forgot to mention
Where'd you meet him?
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
Tell me what I got to do
Do-do-do-to attention
Now I'm in trouble for
Trouble-trouble, just sent him
Oh, there's just one more thing
Thing-thing-th-th-thing to mention
Where'd you meet him?
I met him in detention
So tell me what I gotta do
To get this boys attention
Now I'm in trouble from
The text message I just sent him
Oh, there is one more thing
That I forgot to mention
Where'd you meet him?
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
I, I, I, I met him
I, I, I, I met him
I, I, I, I met him
I met him in detention
