

# See The Sun (Live at the Brixton Academy)

## Dido

I'm coming round to open the blinds  
You can't hide here any longer  
My god you need to rinse those puffy eyes  
You can't lie still any longer  
And yes they'll ask where you've been  
And you'll have to tell them, again and again And you probably don't want to hear tomorrow's another day  
But I promise you you'll see the sun again  
And you're asking me why pain's the only way to happiness  
And I promise you you'll see the sun again Come on take my hand  
We're going for a walk, I know you can  
You can wear anything, as long as it's not black  
Please don't mourn forever, she's not coming back  
And yes they'll ask where you've been  
And you'll have to tell them again and again And you probably don't want to hear tomorrow's another day  
But I promise you you'll see the sun again  
And you're asking me why pain's the only way to happiness  
And I promise you you'll see the sun again  
And I promise you you'll see the sun again Do you remember telling me you'd found the sweetest thing of all  
You said that one day of this was worth dying for  
So be thankful you knew her at all  
But it's no more And you probably don't want to hear tomorrow's another day  
But I promise you you'll see the sun again  
And you're asking me why pain's the only way to happiness  
And I promise you you'll see the sun again  
And I promise you you'll see the sun again
