

Big Wheels

Electric Light Orchestra

I've been thinking it over
So many times they say
 You got it made
 They never understand
The answer lies within your soul
 'Cos no one know which side
The coin will fallBig wheels turning
 Baby, I know
 Big wheels turning
 Baby I know
Big wheels turning, turningSave it for a rainy day
 For when the cold wind blows
 To see how they run
 I thought they'd know
 I tried my best, all I could do
But somehow it was not enough for youBig wheels turning
 Baby, I know
 Big wheels turning
 Baby I know
 Big wheels turning, turning
Turning, turningI remember the dead of night
 A lonely light that shines upon the window
 I see it all so clear
The tenderness, the silent tearsOut here in the pouring rain
 Through cold dark waiting days
 I see you standing there
 I see the big wheels turning
Never ending, on and on they goI think I'm going home
 I think I'm gonna have to start again
 It's rather sad because I've looked around
 Can't seem to find whatever's
Always rolling through my mindBig wheels turning
 Baby, I know
 Big wheels turning
 Baby I know
 Big wheels turning, turning
Turning, turningI remember the dead of night
 A lonely light that shines upon the window
 I see it all so clear

The tenderness, the silent tears
Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go
