Everyday I Love You Less and Less

Kaiser Chiefs

Everyday I love you less and less It's clear to see that you've become obsessed

I've got to get this message to the press

That everyday I love you less and lessAnd everyday I love you less and less

I've got to get this feeling off my chest

The doctor says all I need's pills and rest

Since everyday I love you less and less, unlessUnless I know I feel it in my bones

I'm sick, I'm tired of staying in control

Oh yes, I feel a rat upon a wheel

I've got to know what's not and what is real

Oh yes, I'm stressed, I'm sorry I digressed

Impressed, you're dressed to SOSOh, and my parents love me

Oh, and my girlfriend loves me, ohEveryday I love you less and less

I can't believe once you and me did sex

It makes me sick to think of you undressed

Since everyday I love you less and lessAnd everyday I love you less and less

You're turning into something I detest

And everybody says that you're a mess

Since everyday I love you less and less unlessUnless I know, I feel it in my bones

I'm sick, I'm tired of stayin' in control

Oh yes, I feel a rat upon a wheel

I've got to know what's not and what is real

Oh yes, I'm stressed, I'm sorry I digressed

Impressed, you're dressed to SOSOh, and my parents love me

Oh, and my girlfriend loves me

Oh, they keep photos of me

Oh, that's enough love for me, ohOh, and my parents love me

Oh, and my girlfriend loves me

Oh, they keep photos of me

Oh, that's enough love for me, oh
