

# Ritual Death

## Exciter

Screams can be heard from a distant place  
BLOOD SPILLS, it can't be traced  
Underground cultists are to prepare  
A VOYAGE WHERE life is death  
Don't be caught by the hand of a Sinner  
TEAR YOU APART like dogs in anger  
The ritual begins with a prayer full of lies  
DESTROY - forbid the living  
POSSESSED - by Ritual Death  
POSSESSED - by Ritual Death  
POSSESSED - by Ritual Death  
POSSESSED - by Ritual DeathSlaughter of the innocent souls  
TAKEN BY FORCE and ripped from the cross  
Torture reveals a man  
INSANE WORLD, the light shines black  
Traumatized by fear  
LIFE AND DEATH - the hangman's near  
Demons shadow of Hell  
LED BY THE ONE - they count their spellsPOSSESSED - by Ritual Death
