

Bounce

Iggy Azalea

[Verse 1]

I don't wanna hurt ya but I'm about to work ya
Watch your mouth drop real low
I'm turning you up, I'm burning the clutch
Full speed, both feet to the floor, feet to the floor
DJ running it back once more, time to party that's all I know
Grab somebody tell 'em, "Baby, baby, baby let's go!"[Hook]

Bounce, make it, make it bounce (x3)

Shake it, break it, make it bounce

Bounce, make it bounce (x3)

Shake it, break it, make it bounce

Oh-oh-oh-oh (repeat)

Make it bounce

Oh-oh-oh-oh (repeat)[Verse 2]

Iggy Iggy, gettin' 'em tipsy

Tippin' in brah, to hundreds and fifties

Pullin' up, NASCAR, black car

Shittin' on everyone, sippin' whatever we feelin'

Real real good, hands to the ceiling

Dancin' we dizzy, we spinnin' we spinnin'

All about money, the night's never ending

We party till morning, tomorrow we kick it[Hook]

Bounce, make it, make it bounce (x3)

Shake it, break it, make it bounce

Bounce, make it bounce (x3)

Shake it, break it, make it bounce

Oh-oh-oh-oh (repeat)

Make it bounce

Oh-oh-oh-oh (repeat)[Verse 3]

Let ya hair down and shake that shit, shake that shit, shake that shit

Sweat it out, go nuts in this bitch

Dip it, spin it, and watchin' my hips

I see you watchin' my hips

Crazy, move your body like Swayze

Round and round, shake it, break it, make it bounce

It's a fucking celebration, go-go-go

Girl shake 'em down like you made it, get low-low-low

Then show the good like you're wasted, pow-pow-pow

And spray the crowd with amazement,

fo' show-show-show[Outro]
Go nuts, hands up, get crazy (we go) (x3)
Go nuts, hands up, get crazy
Make it bounce (x3)
Go nuts, hands up, get crazy
Oh-oh-oh-oh (repeat)
Bounce, shake it, break it, make it bounce
Oh-oh-oh-oh (repeat)
Bounce, shake it, break it, make it bounce
