

# Never Been to Spain

## Elvis Presley

Well I've never been to Spain  
But I kinda like the music  
Say the ladies are insane there  
And they sure know how to use it  
They don't abuse it, never gonna lose  
I can't refuse it Well, I've never been to England  
But I kinda like the Beatles  
So I headed for Las Vegas  
Only made it out to Needles  
I got to feel it, must be near  
Oh it feel so good, feel so good Well I've never been to Heaven  
But I've been to Oklahoma  
Well, they tell me I was born there  
But I really don't remember  
In Oklahoma or Arizona  
What does it matter  
What does it matter Well I've never been to Spain  
But I kinda like the music  
Say the ladies are insane there  
And they sure know how to use it  
They don't abuse it, never gonna lose  
I can't refuse it Well, I've never been to Arizona  
But I've been to Oklahoma  
Well, they tell me I was born there  
But I really don't remember  
In Oklahoma or Arizona  
What does it matter  
What does it matter In Oklahoma or Arizona  
What does it matter  
What does it matter
