

Help Me

Johnny Winter, Edgar Winter, I.P. Sweat & Uncle Jo

You gotta help me darling, I can't make it all by myself

You gotta me baby, I can't do it by myself

If you don't help me little girl, I gotta use somebody else
You might have to curse, you have to swear, you might
have to disturb

You might have to rock and roll but you gotta help me darling

I can't make it all by myself, if you don't help me little girl, I gotta find somebody else

You might have to curse, you have to swear, you might have to disturb

You might have to rock and roll but you gotta help me darling

I can't make it all by myself, if you don't help me little girl, I gotta find somebody else

Hey baby put your morning gown, woah baby put on your morning gown

I'm so sleepy little girl but I feel like lying down
