To Be Free

Information Society

Staring at an empty screen
I can sometimes feel like dying
Doing what I have to do
I can almost hear you cryingThis is how it feels
Funny how it's all so real
This is how it feels to be free
To be free, to be freeFigures slowly come to life
Almost always they are having
Minor problems, minor strife
I can almost hear you laughingThis is how it feels
Using up the time we steal
This is how it feels to be free
To be free, to be free
