Love
So many things I've got to tell you
But I'm afraid I don't know how
'Cause there's a possibility
You'll look at me differentlyLove
Ever since the first moment I spoke your name
From then on I knew that by you being in my life
Things were destined to change 'causeLove
So many people use your name in vain
Love
Those who have faith in you sometimes go astray
Love
Through all the ups and downs, the joys and hurts
Love
For better or worse I still will choose you first
Many days I've longed for you, wanting you
Hoping for the chance to get to know you
Longing for your kiss
For your touch, your feel, your presenceMany nights I've cried from the things you do
Felt like I could die from the thought of losing you
I know that you're real
With no doubts and no fears and no questionsLove
So many people use your name in vain
Love
But those who have faith in you sometimes go astray
Love
Through all the ups and downs, the joys and hurts
Love
For better or worse I still will choose you first
At first you didn't mean that much to me
But now I know that you're all I need
The world looks so brand new to me
Now that I found loveEveryday I live for you
And everything that I do, I do it for you
What I say is how I feel so believe it's true
You got to know I'm trueLove
So many people use your name in vain
Love
But those who have faith in you sometimes go astray

Love
Through all the ups and downs, the joys and hurts
Love
For better or worse I still will choose you firstLove
So many people use your name in vain
Love
But those who have faith in you sometimes go astray
Love
Through all the ups and downs, the joys and hurts
Love
For better or worse I still will choose you firstLove
So many people use your name in vain
