

Gamble Everything For Love

Ben Lee

Gamble everything for love, gamble everything
Put it in a place you keep what you need
You can gamble everything for love if you're free
You gotta gamble everything for love
Baby, are you cold? Are you cold baby?
I can wrap you up, wrap you up in my love
If you wanna, you can gamble everything for love
If you wanna, you can gamble everything for love
Tell me are you feeling lost? Have you crossed
In the places that you never knew to get through?
Tell me are you gonna cry all night?
Tell me the truth, and I'll tell you the truth
If you gamble everything for love
You're gonna be alright, alright
Make a list of things you need, leave it empty
Except for number one, write "Love gamble everything"
Keep it under lock and key
If you wanna, you can gamble everything for love
Love me with an open heart tell me anything
We can find a place to start to gamble everything
We can set this thing apart, 'cause we're gonna, gonna
Gamble everything for love
Tell me do you lose your way each day?
Are there people you recognize? Do they lie?
Tell me does it make you feel too real?
Tell me the truth, and I'll tell you the truth
If you gamble everything for love
You gonna be alright, alright
Ooh you can go your own way
Ooh you can go your own way
Ooh you gotta go your own way
If you gamble everything for love
If you gamble everything for love
Gamble everything for love, gamble everything
Put it in a place you keep what you need
You can gamble everything for love if you're free
You gotta gamble everything for love
Tell me are you gettin' hurt? Is it worth it?
Tell me are the people strange? Do they change?

Tell me are you letting go? Do you know?
I'll tell you the truth, if you tell me the truth
If you gamble everything for love
If you gamble everything for love
If you gamble everything for love
You gonna be alright, alright, alright
