Only the Spineless Survive

Revocation

Devolved wriggling monstrosities roam through these halls
Subservient and cowering
Contorted bent backwards remove the spine
See the larvae slitheringWrithe in submission, you sold your souls for gold
Obedient to their overlords, in the grips of their master's controlSerpent's venom has become their wineDrink deeply from the poison cup
Intoxicated and so easily coerced
Drunk on the power that corruptsOnly the spineless survive in this realm of greed
Only the spineless survive and now the gluttonous worms will feed
Bought and sold
Corruption takes hold
Bought and sold
Systematic control
