

# How They Want Me to Be

## Best Coast

All of my friends stick up their noses  
They ask me where my money is  
And where does it go once I've spent it  
But I don't want to be how they want me to be  
I don't want to be how they want me to be  
I don't want to be how they want me to be  
I don't want to be how they want me to be  
I don't want to be how they want me to be  
And even my own mother asks me a lot of questions  
I tell her I don't want to talk  
But she doesn't stop, she's just wondering  
But I don't want to be how they want me to be  
I don't want to be how they want me to be  
I don't want to be how they want me to be  
I don't want to be how they want me to be  
I want you, you, you, you  
I want you, you, you, you  
'Cause when I wake up in the morning or the middle of the night  
I wonder who's there and what they've said  
Yeah, when I wake up in the morning or the middle of the night  
I wonder who's there and what they've said  
But when I wake up in the morning or the middle of the night  
I look at you and I know it's alright  
I wake up in the morning or the middle of the night  
I look at you and I know it's alright  
'Cause you don't want me to be  
How they want me to be  
You don't want me to be  
How they want me to be  
And I don't want to be how they want me to be  
I don't want to be how they want me to be  
You don't want me to be how they want me to be  
I don't want me to be how they want me to be
