

Thou Art Loosed

Josh T. Pearson

Don't cry for me babe, you'll learn to live without me
Don't cry for me babe, I'll learn to live without you
 Don't cry, no don't cry for me
 Don't cry for me babe, I'll learn to live without you
Don't cry for me babe, you'll learn to live without me
 Don't cry, no don't you cry for me
 'Cause I'm off to save the world
 I'm off to save the world
 I'm off to save the world
 At least I can hope
 I'm off to save the world
 I'm off to save the world
 Well I'm off to save the world
 At least I can hope
 At least I
 I can hope
