

Magic in the Air (Live in Session)

Badly Drawn Boy

We laughed so much then we cried all night
And you left your shoes in the tree with me
I'll wear them to your house tonight
Magic in the air tonight Yes, I just might try her
How she made me feel
Today, today, today, feels right We slept on leaves on my drive all night
And you gave me no resting
Nothing in this life for me tonight
But nothing ever seemed so bright And if you should lose me
You will track me down again
Before the summer ends
