

How Do Ya Feel Tonight

Bryan Adams

Is there anybody out there?
anyone that's loved in vain
anyone that feels the same
Is there anybody waiting?
waiting for a chance to win
to give it up and start again
We all need something new
something that is true
and someone else to feel it too
I feel so high no one else would know it
I don't know why i feel the way i do
I can't let go and i'm not scared to show it
'cause being here feels right
tell me - how do you feel tonight?
Is there anybody out there?
Anyone that can't explain
Anyone that feels no pain
Is there anybody dreaming
dreaming of a better day
when everything goes your way
We all need something new
Something that is true
and someone else to feel it too
someone just like you
