Too Pretty

State Of Shock

Seven days and I?m still sick
I need you more than I'll admit
I'm drowning here in a fifth of gin
Now I'm hoping for the best
But not holding my breath
Was there something that I missed?
Some sort of clue maybe a hint
?Cause there?s a lack of love that?s on you lips
And I can see your face in my mirror
Hear you voice in my ear
You?re everywhere but here
Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
I?m hoping for the best ?cause you?re so hard to get
I?m not holding my breath ?cause you're too pretty for me
You're pretty for me, too pretty for me
All the days the love we made
Tell me it wasn?t all just fake
I need to know ?cause my hearts at stake
Now I?m hoping for the best
But not holding my breath
And I can see your face in my mirror
Hear you voice in my ear
You?re everywhere but here
Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
I?m hoping for the best ?cause you?re so hard to get
I?m not holding my breath ?cause you're too pretty for me
Now you had me at hello
And then you let me go
Now everyday I wait
Is spent in second place
And I can see your face
You're too pretty for me
Hear you voice
You're too pretty for me
Maybe baby, you're too pretty for me
Maybe baby, you're playing hide and go seek
I?m hoping for the best ?cause you?re so hard to get

I?m not holding my breath ?cause you're too pretty for me
I know you, I know you lie ?cause you're too pretty for me
I know you, I know you lie ?cause you're too pretty for me
I know you, I know you lie ?cause you're too pretty for me
