

# There You Go [Mono Version]

## Johnny Cash

You're gonna break another heart, you're gonna tell another lie

Well here I am and there you go, you're gone again

I know you're gonna be the way you've always been

Breakin' hearts and tellin' lies is all you know

Another guy gives you the eye and there you go

There you go, you're gone again

I should have known, I couldn't win

There you go, you're by his side

You're gonna break another heart, you're gonna tell another lie

Because I love you so I take much more than I should take

I want you even though I know my heart is gonna break

You build me up and for a while I'm all a-glow

Then your fickle heart sees someone else and there you go

There you go, you're gone again

I should have known, I couldn't win

There you go, you're by his side

You're gonna break another heart, you're gonna tell another lie
