## **Heart Upon My Sleeve**

## **Avicii**

With my heart upon my sleve
With my head down low and I still feel brokenDown upon my knees
With my head down low I and I still feel brokenWhere are you? where are you?

I know that I need you most and
A heart upon my sleeve, broken downWooohh ohhh ohhh ohhhI guess I'm just down I'd like some b\*\*ch to get me out of here! (x2)With my heart upon my sleve
With my head down low and I still feel broken.Down upon my knees
With my head down low I and I still feel broken.Where are you?

I know that I need you most and
A heart upon my sleeve, broken down, down, down.
