Silver Wings

Inca Ore

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away, leaving me lonely
Silver wings slowly fading out of sight
Don't leave me I cry
Don't take no airplane ride
But you locked me out of your mind
And left me standing here behind
Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away, leaving me lonely
Silver wings slowly fading out of sight
Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away, leaving me lonely
Silver wings slowly fading out of sight
Silver wings slowly fading out of sight
