

Visual Prostitution

Destruction

Visual prostitution I can't look at the god damned screen
Too many losers, show no self-esteem
Do me a favor, don't abuse my eyes
You're telling lies, you're low Tell them things they don't need to know
A star for one day forgotten tomorrow
Trying to get more self confidence
Denude your soul, you're low Down, down, down
Down with your pants
Down, down, down
Embarrassing self-defense What a fuckin' evolution
Visual prostitution
Shame on our constitution
Visual prostitution Stupid people telling lies, visual prostitution
Ugly faces, thousand cries, visual prostitution
Stories we don't need to hear, visual prostitution
Stuck this shit right up your rear, visual I can't stand your stupid ugly face
I hate the sound of your weak voice
Do use a favor 'cause you've got no pride
Down with your pants, you're low Down, down, down
Down with your pants
Down, down, down
Embarrassing self-defense What a fuckin' evolution
Visual prostitution
Shame on our constitution
Visual prostitution Stupid people telling lies, visual prostitution
Ugly faces, thousand cries, visual prostitution
Stories we don't need to hear, visual prostitution
Stuck this shit right up your rear, visual What a fuckin' evolution
Visual prostitution
Shame on our constitution
Visual prostitution Stupid people telling lies, visual prostitution
Ugly faces, thousand cries, visual prostitution
Stories we don't need to hear, visual prostitution
Visual, visual, visual
