

The Bed's Too Big Without You (Live 1979)

The Police

Bed's too big without you
Cold wind blows right through that open door
I can't sleep with your memory
Dreaming dreams of what used to be When she left I was cold inside
That look on my face was just pride
No regrets no love no tears
Living on my own was the least of my fears Bed's too big without you
The bed's too big without you
The bed's too big
Without you Since that day when you'd gone
Just had to carry on
I get through day but late at night
Made love to my pillow but it didn't feel right Every day just the same
Old rules for the same old game
All I gained was heartache
All I made was one mistake Now the bed's too big without you
The bed's too big without you
The bed's too big
Without you Bed's too big without you
The bed's too big without you
The bed's too big
Without you
Without you Bed's too big without you
Cold wind blows right through that open door
