

Cream Puff War

Grateful Dead

No, no! She can't take your mind and leave
I know it's just another trick shes got up her sleeve
I can't believe that she really wants you to die
After all it's more than enough to pay for your lie
Wait a minute, watch what you're doin' with your time
All the endless ruins of the past must stay behind, yeah
Wait a minute, watch what you're doin' with your time
All the endless ruins of the past must stay behind, yeah
Well, can't you see that you're killing each others soul
Well, you're both out in the streets and you got no place to go
Your constant bates are getting to be a bore
So go somewhere else and continue your cream puff war
