

Memories Are Made of This

Johnny Cash

Take one fresh and tender kiss
Add one stolen night of bliss
One girl, one boy, some grief, some joy
Memories are made of this Don't forget a small moonbeam
Fold it lightly with a dream
Your lips and mine, to sip the wine
Memories are made of this Then at the wedding bells
One house where lovers dwell
Three little kids for the flavor Stir carefully through the day
See how the flavor stays
These are the dreams that we must savor With His blessings from above
Serve it generously with love
One man, one wife, one love for life
Memories are made of this Memories are made of this
Memories are made of this
Memories are made of this
