

Cheer Up Charlie

Primus

You get blue
Like everyone
But me and Grandpa Joe
Can make your troubles go away
Blow away
There they go
Cheer up Charlie
Give me a smile
What happened to that smile I used to know
Don't you know your grin has always been my sunshine
Let that sunshine show
Come on Charlie
No need to frown
Deep down you know the world is still your toy
When the world gets heavy
Never pit-a-pat 'em
Up and at 'em boy
Someday, sweet as a song
Charlie's lucky day will come along
Til that day you've gotta stay in strong Charlie
Up on top is right where you belong
Look up Charlie
You'll see a star
Just follow it and keep your dream in view
Pretty soon the sky is gonna clear up Charlie
Cheer up Charlie do
Cheer up Charlie
Just be glad you're you
