

# Walking In L.A.

## Missing Persons

Look ahead as we pass, try and focus on it  
I won't be fooled by a cheap cinematic trick  
It must have been just a cardboard cut out of a man  
Top-forty cast off from a record stand Walkin' in L.A.  
Walkin' in L.A., nobody walks in L.A.  
Walkin' in L.A.

Walkin' in L.A., nobody walks in L.A. I don't know could've been a lame jogger maybe  
Or someone just about to do the freeway strangler baby  
Shopping cart pusher or maybe someone groovie  
One thing's for sure, he isn't starring in the movies.  
'Cause he's walkin' in L.A.

Walkin' in L.A., nobody walks in L.A.  
Walkin' in L.A.

Walkin' in L.A., only a nobody walks in L.A. Walkin' walkin' walkin' walkin'  
 Nobody's walkin' walkin' walkin' walkin' walkin'  
 Nobody's walkin' walkin' walkin' walkin' walkin'  
 Nobody's walkin' walkin' walkin' walkin' walkin' You won't see a cop walkin' on the beat  
 Nobody's walkin' walkin' walkin' walkin' walkin' You only see 'em drivin' cars out on the street  
 Nobody's walkin' walkin' walkin' walkin' walkin' You won't see a kid walkin' home from school  
 Nobody's walkin' walkin' walkin' walkin' walkin' Their mothers pick 'em up in a car pool  
 Nobody's walkin' walkin' walkin' walkin' walkin' Walkin' in L.A.  
 Walkin' in L.A., nobody walks in L.A.  
 Walkin' in L.A.

Walkin' in L.A., nobody walks in L.A. Could it be that the smog's playing tricks on my eyes  
or is it a rollerskater in some kind of headphone disguise  
Maybe somebody who just ran out of gas,  
Making his way back to the pumps the best way he can. Walkin' in L.A.

Walkin' in L.A., nobody walks in L.A.  
Walkin' in L.A.

Walkin' in L.A., nobody walks in L.A.  
Walkin' in L.A.

Walkin' in L.A., nobody walks in L.A.  
Walkin' in L.A.

[illegible]
