One Hand Loose

Stray Cats

I'm a tip top daddy and I'm gonna have my way
Keep away from the corner that's what I gotta say
One hand only get ready for a ride
Give me one hand loose and I'll be satisfied
Give me a free hand baby 'cause I want to rock
Turn a lose hand baby I will blow my top
Give me a free hand woman let it spring from my side
Give me one hand loose and I'll be satisfied
Satisfied

Let it roll
Get the rhythm in your bones then you know how I feel
But don't you grab me close baby this time it's for real
Get ready for some rock pick'm up put'm down
Give me one hand loose and I am satisfied
Give me a free hand baby 'cause I wants to rock
Turn a lose hand baby I will blow my top
Free hand woman let it spring by my side
Give me one hand loose and I'll be satisfied
Yeah one more time
I'm a tip top daddy and I'm gonna have my way
Keep away from the corner that's what I gotta say
One hand only get ready for a ride
Give me one hand loose and I'm satisfied
Give me a free hand baby 'cause I wants to rock
Turn a lose hand baby I will blow my top
Give me a free hand woman let it spring by my side
Give me one hand loose and I'm be satisfied
