

# You're Good (Dios Es Bueno)

**Fred Hammond**

Lord we love You. You are good.  
Lord we love You. You are good.  
Lord we love You. You are good.  
Lord we love You. You are good.

Lord we thank You. You are good.  
Lord we thank You. You are good.  
Lord we thank You. You are good.  
Lord we thank You. You are good.

Lord we praise You. You are good.  
Lord we praise You. You are good.  
Lord we praise You. You are good.  
Lord we praise You. You are good.

Lord we love You. You are good.  
Lord we thank You. You are good.  
Lord we praise You. You are good.  
Lord we love You. You are good.

Lord we love You. You are good.  
Lord we love You. You are good.  
Lord we love You. You are good.
