

Tangle

Sara Masterson

I have seen enough, enough to understand. I have been there enough, enough to know,
how hard it is. How hard it is.

Oh what a tangle you are in, what a tangle you are in.
Find the grey, in between what it is and what it seems, old soul out of control, oh I know,
oh I know how hard it is, how hard it is.

Oh what a tangle you are in, what a tangle you are in.
I want to learn feelings are not facts. I have seen enough, enough to understand.
