Pipeliner's Heart

Parker Heights

Just another sad goodbye
With these tear filled eyes
As I watch his taillights fade
Another goodbye kiss
I should be used to this
But itâ€™s so hard to watch him walk away

Our love is real and easy to see
Baby Iâ€™m missing you
and I hope your missing me
He said, â€œBaby Iâ€™ll come home when they let me
On the last day when weâ€™re though
The whole way home Iâ€™m driving eighty
Just to make it home quicker to you
Donâ€™t give up on me
â€˜Cause youâ€™re my everything
I know it can be hard
Lovingâ€™ this pipelinerâ€™s heartâ€•

Six days on and one day off
Sometimes I feel so lost
Without you by my side
Another night is spent alone
Tell me baby when youâ€™re coming home
I sure miss those blue eyes

Our love is real and easy to see
Baby Iâ€™m missing you
and I hope your missing me
He said, â€œBaby Iâ€™ll come home when they let me
On the last day when weâ€™re though
The whole way home Iâ€™m driving eighty
Just to make it home quicker to you
Donâ€™t give up on me
â€˜Cause youâ€™re my everything
I know it can be hard
Lovingâ€™ this pipelinerâ€™s heartâ€•

Down on about my way
Pavement meets the gavel

Go as fast as you can go
When you pull up in my drive
See your headlights
Shining though my window

He says, â€œBaby I came home early
You know I hate being away from you
Took every back road that I could see
And yes I miss you too
Baby Iâ€™m here and not going nowhere
I know it can be hard
Loving this pipelinerâ€™s heartâ€•

Loving this pipelinerâ€™s heart
Loving my pipelinerâ€™s heart
