

# The Whiskey Ain't Workin' (feat. Marty Stuart)

[Travis Tritt](#)

There was a time, I could drink my cares away  
And drown out all of the heartaches  
That hurt me night and day  
When the thought of you came crashing through  
I'd have one more  
But now the whiskey ain't workin' anymore I need one good honky-tonk angel  
To turn my life around  
That's reason enough for me to lay  
This ol' bottle down  
A woman warm and willin', that's what I'm lookin' for  
'Cause the whiskey ain't workin' anymore They knew my name at every bar in town  
And they knew all the reasons why I was comin' 'round, round, round, sing it Travis  
'Cause in my mind, peace I'd find when they'd start to pour  
But now the whiskey ain't workin' anymore, sing it, son I need one good honky-tonk angel  
To turn my life around  
That's reason enough for me to lay  
This ol' bottle down  
Well, a woman warm and willin', lord, that's what I'm lookin' for  
That's right, 'cause the whiskey ain't workin' anymore
