Ken Laszlo

(One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight) I came back at 5 o'clock  
Let me listen to the radio  
(One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight) I got down dancin all the night  
I just wanna try to feel alright  
And now I want your lovin', babe, it's too late, you've gone away  
Just with all my fantasy I want to make a trial One, two, three, four, five, six, seven, eight, ten  
I'll be countin' up to ten to repress my desire  
One, two, three, four, five, six, seven, eight, ten  
I don't wanna spend my time, I know you've been a liar  
(One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight) You gave me satisfaction, I said I love you many times  
You liked that situation, I can't forget your pretty smile  
And now I want your lovin', babe, it's too late, you've gone away  
Just with all my fantasy I want to make a trial One, two, three, four, five, six, seven, eight, ten  
Lovers like to play a game, it's getting all your desire  
One, two, three, four, five, six, seven, eight, ten  
Every day and every night I'm burnin' like a fire One, two, three, four, five, six, seven, eight, ten  
Lovers like to play a game, it's getting all your desire One, two, three, four, five, six, seven, eight, ten  
Every day and every night I'm burnin' like a fire  
(One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight) (One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight) One, two, three, four, five, six, seven, eight, ten  
Lovers like to play a game, it's getting all your desire  
One, two, three, four, five, six, seven, eight, ten  
Every day and every night I'm burnin' like a fire One, two, three, four, five, six, seven, eight, ten  
I'll be countin' up to ten to repress my desire  
One, two, three, four, five, six, seven, eight, ten  
I don't wanna spend my time, I know you've been a liar (One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight  
One, two, three, four, five, six, seven, eight)
