

# Sharing The Night Together

**Dr. Hook**

You're looking kinda lonely girl  
Would you like someone new to talk to, ah yeh alright  
I'm feeling kinda lonely too  
If you don't mind can I sit down here beside you  
Ah yeah alright If I seem to come on too strong  
I hope that you will understand  
I say these things 'cause I'd like to know  
If you're as lonely as I am  
And if you mind Sharing the night together, oh yeah  
Sharing the night together, oh yeah, sharing the night. We could bring in the morning girl  
If you want to go that far  
And if tomorrow find us together  
Right here the way we are  
Would you mind Sharing the night together, oh yeah  
Sharing the night together, oh yeah, sharing the night. Would you like to dance with me and hold me  
You know I want to be holding you  
Ah yeah alright 'cause I like feeling like I do  
And I see in your eyes  
That you're liking it too, ah yeah alright  
Like to get to know you better  
Is there a place where we can go  
Where we can be alone together  
And turn the lights down low and start sharing the night
