Happy

Deitrick Haddon

For all my island people
All my sisters and brothers, oh
Things are gonna get better, ohLife has a way of bringing hard times
That can mess with your peace of mind, oh
And don't let the troubles on the outside
Take the love you have on the insideAnd I'd give anything to see you smile again
To know your love again to have my friend
And I'd give anything to hold your hand again
To watch you laugh again to have my friend
Here we goOh I want to see you happy
And oh I want to see you dance
I wanna see you dance yeah
And oh I want to see you happy, oh
You should be dancing you should be dancingYeah that old devil is a monster
Have you hating the ones that love ya
Hating the ones that love ya
And you don't have to let him move ya
There's a greater love that's working through yaAnd I'll give anything to see you smile again
To watch you laugh again to have my friend
Oh and I'll give anything to hold your hand again
To know your love to have my friend
Everybody sing with meOh I want to see you happy
And oh I want to see you dance
I wanna see you dance yeah
And oh I want to see you happy, oh
You should be dancing you should be dancingOh I want to see you happy
I wanna see you dance yeah
And oh I want to see you happy, oh
You should be dancing you should be dancingYou should be happy you should be happy
You should be dancing you should be dancing
You should be happy you should be happy
You should be dancing you should be dancing
