Jade

Oh OOh yeah HoahwoaahhTo be down, and be real,
When you're chillin' in the lack with your homies in the back,
Have some fun, if you will,
Cause this parties going on and we're hangin' all night long,We got a remedy to take you on your knees, it'll make you happy that you got it,
So won't you follow me,
down to the swim party,
Let the rhythm move you.
cause party people will be. Ha-------ng hang hangin,
hangingg ooooo,
Ha----------nging.I can't wait,
been to long,
need a place in my gusty to get it on,
It don't matter,
I don't care,
got my bebo in my pocket and my candit on the phone...We got a remedy to take you on your knees, it'll make you happy that you got it,
So won't you follow me,

Let the rhythm move you.cause party people will be. Ha-------ng hang hangin, I'm hanging, haaannging, Ha----------nging.(Instrumentals and ooo's)
Now it's the time,

Got the Dj on my left and some beauties on my right,

dancing past the break of dawn...We got a remedy to take you on your knees, it'll make you happy that you got it,
So won't you follow me,
