

# I Wish I Felt This Way At Home

**Dolly Parton**

If I, could be with you forever  
My restless heart  
Would never want to roam  
I've never been loved  
The way you love me [Chorus]  
I wish I felt this way at home  
When you kiss me It's words without speaking  
And I don't believe that  
God would call this wrong  
Your arms are the refuge  
I was seeking [Chorus] But I don't, and I won't  
We did all that we could He and I  
We tried hard  
But it's just no good  
I may never be free  
'Cause I've no reason  
And I don't expect you to wait that long  
But I'll say one more time As I'm leavin' [Chorus] Yes, I wish I felt this way at home
