

Many A Mile To Freedom

Traffic

Many a mile to freedom
Many a smile to tell
Ask my bluebird to sing you
From the heart of a wishing well
Call all my reindeer to graze here
Call all my grain to grow
Then together we flow like a river
And together we melt like the snow
Many a thought unanswered
Many a tale to tell
Ask my bluebird to sing you
From the heart of a wishing well
If you should ask me to give you
The reason for life that we know

Then together we flow like a river
And together we melt like the snow
Many a mile to freedom
Many a smile to tell
Ask my bluebird to sing you
From the heart of a wishing well
If you should ask me to give you
The reason for life that we know
Then together we flow like a river
And together we melt like the snow
Few more miles to go
Miles to freedom
Few more miles to freedom
