Mistress

Disturbed

My mistressI stand on the brink of your mind Living inside a nightmare from which I just cannot awaken

Stand on the edge of your life

Just give me another moment from which I will never awakenStand on the brink of my own demise

Fallen again for another

Mistress of burden to idolize

Hoping that one of them will decide to let me inTo stand on the edge of the knife

Cutting through the nightmare from which I just cannot awaken

Stand on the edge of the night

Living inside a moment from which I will never awakenStand on the brink of my own demise

Fallen again for another

Mistress of burden to idolize

Hoping that one of them will decide to let me inLook at what you've done to me

You've become my enemy

Poisoning the world for me

Take away my everything

Weakened as I am

Never awakenStand on the brink of my own demise

Fallen again for another

Mistress of burden to idolize

Hoping that one of them will decide to let me inMy mistress, decide to let me in

My mistress, decide to let me in
