

# Only A Man

Jonny Lang

I used to live my life in fear  
Was worried all the time  
From waking up to laying down  
I had no peace of mind  
The world became a darkened place  
A struggle without end  
Although bitter times those were  
The days that I began  
To understand, I was only a man  
I grew up singing songs in church  
With questions in my mind  
Then turn my back and ran away  
From God who gave me life  
Then one night His presence fell  
I wept and shook, and knelt  
I fell down and cried  
?Dear Jesus, rescue me again?  
I understand, I'm only a man  
And He said, "What will it be now  
Will you choose Me  
Or keep swimming  
Upstream now"

"I've been inside your head, hearing you scream out  
Well, here I am, just take my hand  
And I'll take out all of the things  
And all of the fear, all of the fear"  
I'll give You my burdens  
I'll gave peace  
All of my desires  
I'll give you what you need  
And what about these chains, Lord?  
I'll set you free  
But they're so heavy  
Lay them at my feet  
I'll lay them at Your feet  
Just promise You won't leave  
I'll never leave  
So where do I go from here, Lord

Just follow me, just follow me  
I'll follow You  
Just follow me  
Wherever You lead, wherever You lead  
Wherever You lead
