

Stand By Me (Acoustic Liam)

Oasis

Made a meal and threw it up on Sunday
I've got a lot of things to learn
Said I would and I'll be leaving one day
Before my heart starts to burn So what's the matter with you?
Sing me something new... Don't you know
The cold and wind and rain don't know
They only seem to come and go away Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in the things we find behind the door So what's the matter with you?
Sing me something new... Don't you know
The cold and wind and rain don't know
They only seem to come and go away
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be) If you're leaving will you take me with
you
I'm tired of talking on my phone
There is one thing I can never give you
My heart will never be your home So what's the matter with you?
Sing me something new... Don't you know
The cold and wind and rain don't know
They only seem to come and go away Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be)
The way it's gonna be, yeah
Maybe I can see, yeah... Don't you know
The cold and wind and rain don't know
They only seem to come and go away Hey, hey! Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows the way it's gonna be)
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be)
