

Suitcases

Mascot Fight

How can you move when they're weighing you down
What can you do when you're tied to the ground, yeah

 You carry your burdens, heavy like gravity

Just let them go now, there's freedom in release
You can't run when you're holding suitcases

 It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid
Just breathe, your load can be lifted

 There's a better way when you know you're forgiven

 Open up your heart, lay down your guard

You don't have to be afraid
Can you imagine what it's like to be free

 Well, send those bags packing, they're not what you need

 Abandon your troubles on the side of the street

Just let them go now, believe me
You can't run when you're holding suitcases

 It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid
Just breathe, your load can be lifted

 There's a better way when you know you're forgiven

 Open up your heart, lay down your guard

You don't have to be afraid
There's nothing hold you back now, just run
You can't run when you're holding
 suitcases

 It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid
Just breathe, your load can be lifted

 There's a better way when you know you're forgiven

 Open up your heart, lay down your guard

 You don't have to be

 You don't have to be afraid
