Falling In Love (Will Kill You)

Wrongchilde

I'm okay but I went to see the doctor yesterday
To tell him how my heart it's going crazy
It feels like I got hit by a train
What is happening
He said listen you fool you're falling in love againFalling in love, falling in love
Falling in love will kill youFalling in love, falling in love
Falling in love will kill you (love will kill you)I'm okay but I had to see the shrink again today
To tell her how my head it's going crazy
But things get all mixed up inside my brain
So what is happening
And she said shut up you fool you're falling in love againFalling in love, falling in love
Falling in love will kill youFalling in love, falling in love
Falling in love will kill you (love will kill you)....
Falling in love, falling in love
Falling in love will kill youFalling in love, falling in love
Falling in love will kill you
I collapse into your arms (it'll kill you)
I collapse into your arms (it'll kill you)
Falling in love, you're falling in love
Falling in love
I collapse into your arms
