

Eyes of Love

Fair Warning

Let's go Tired of waiting, of waisting time
You wipe the sorrow out of your eyes
The spell is gone
That led your life astray The distant mountains, you see them shine
Driving rainbows into the sky
And now you feel
You've cast your chains away Just don't look back to what went wrong
It's just the past and now it's gone
Gone, babe Look inside these eyes of love
See your dreams and don't give up
Tonight I'm yours
Tomorrow I'm on my way I ride the rainbows, touch the sky
Know all the secrets you must find
And deep inside
You know I'll guide your way Just don't look back to what went wrong
It's just the past and now it's gone
It's gone, man Look inside these eyes of love
See your dreams and don't give up
Tonight I'm yours
Tomorrow I'm on my way, yeah yeah yeah Ooh yeah, I mean yeah yeah
Let's go, ooh yeah yeah yeah yeah, yeah Look inside these eyes of love
See your dreams and don't give up
Trust your heart
Don't waste this life away, yeah yeah yeah Reach out to the open sky
Spread your wings and learn to fly
Tonight I'm yours
Tomorrow you're on your way, yeah yeah yeah
